

Tours of Rocky Flats

General Information

The Rocky Flats Tours and Visits Office assists in the coordination of all official visits to the Rocky Flats Environmental Technology Site.

Public Tours / Official Visits

Public tours are scheduled periodically to enhance community interaction and meet public information needs. A site road tour follows the short general information presentation. Official visits/tours are scheduled based on specific requests.

To arrange a tour/visit or for more information, call or e-mail Karen Lutz at (303) 966-4546, karen.lutz@rfets.gov or Kate Johnson at (303) 966-4254, kate.johnson@rfets.gov.
